Create allocation rule

Name your allocation rule

Example: 100% to Bol.com

Next **Warehouse(s)**

Allocation

Select products or categories and allocate them to different sales channels.

1. Allocation rule
   name your rule
2. Warehouse(s)
   from where to ship?
3. Sales channel(s)
   where to sell?
4. Categories/products
   what to allocate?
5. Strategy
   how to allocate?

Back

Products

Allocation

Select warehouse(s)

Warehouse(s) from where you would like to allocate products.

Energieweg 2, Waalwijk

21.000 sku's | 30.000 on stock

Veerweg 11, Waalwijk

14.000 sku's | 33.000 on stock

Back

Next **Categories/products**

Allocation

Select products or categories and allocate them to different sales channels.

1. Allocation rule
   name your rule
2. Warehouse(s)
   from where to ship?
3. Sales channel(s)
   where to sell?
4. Categories/products
   what to allocate?
5. Strategy
   how to allocate?

Back

Products

Allocation

Select sales channel(s)

Select categories and products from one or more warehouses and allocate them to one or more saleschannels.
